

WHEAT

Community Connections

A Direct Service of United Way of Tri-County

Our Mission

At *WHEAT Community Connections* our mission is to give support to individuals and families who find themselves experiencing economic and personal challenges by providing emergency assistance and programs that promote self-sufficiency.

There is no charge for our services.

Some of the services that we can help you with include: Groceries, Hot Meals, Pet Food, Weekly Employment Listings, Access to Mass Health Applications and Food Stamp Applications as well as other local assistance programs and services.

Available by appointment only: Case Management and Referral Services through SMOC, Seasonal Fuel Assistance Services, WIC: Women, Infant & Children (Tues. & Thurs.)

WHEAT serves hundreds of your neighbors each month and we rely on contributions and volunteers to do the work. We truly cannot do it without you! Please consider a donation or come make a difference as a volunteer. You will be glad you did!
